AMENDMENT AND RESPONSE TO OFFICE COMMUNICATION AND  
NOTICE TO COMPLY

Dear Sir or Madam:

This document is submitted in response to the Office Communication and Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Disclosures mailed September 16, 2002 (Paper No. 15) in the above-referenced patent application. Applicants submit concurrently herewith to Box Sequence Listing a diskette containing substitute computer readable form of the Sequence Listing for the above-referenced patent application, and a separate transmittal letter for the diskette, containing the required verification statement. Applicants also submit herewith a substitute paper copy of the Sequence Listing.

Please amend the above-identified application as follows.
